

ALU SERIES

ALU structures are highly adaptable and available in a wide range of shapes and sizes. ALU structures can function as a MWR facility, which is perfect for various military applications. Our contemporary designs, complete with bunk beds, mattresses, tables and Bavarian benches, are equipped to handle any scenario. These tested and certified solutions are ideal for use in command centers, canteens and storage facilities.

- **Modular Design:** Can be extended to any length, by increasing modularly every 16 ft. (5 m).
- **Custom Solutions:** Can be easily reconfigured and expanded to accommodate evolving needs.
- **Span Range:** 16 ft. – 98 ft. (5 m – 30 m).
- **Limitless Applications:** Warehouses, conference halls, billeting, dining facilities or sanitary points.
